**Sub: SRMIST - Offering Internship to the students – E-mails received from certain fake groups - Advisory issued – Regarding**

It has been brought to the notice of the authorities that a few students have recently received e-mails from some impostors/fake groups that they are arranging for paid internship for the students with various companies.

All the students are, therefore, strictly advised **not to respond to any such communication and not to share the same among any other co-students** or make any form of payment to such fake individuals or entities. **All academic payments must be made only through the official SRM Student Portal, which is the sole authorised payment gateway.**

Also, it is advised that in the event of receiving suspicious emails, phone calls, or WhatsApp messages claiming that they are the representatives of the university, or external organizations, to mark such communications as spam, block the sender and report the incident immediately to [grievance.oe@srmist.edu.in](mailto:grievance.oe@srmist.edu.in) for further investigation and necessary action.
